

KNOW YOUR RIGHTS

BREASTFEEDING IN PUBLIC LAW

"Not with standing any other provision of law, a mother may breastfeed her child in any location...where the mother and the child are otherwise authorized to be present"

BREASTFEEDING & EMPLOYEE RIGHTS LAW

This law states that employers in California must provide time and space for employees to pump breastmilk at work. The time should run concurrently with other break time if possible. The space must be a private location, other than a toilet stall.

California Labor Code Sections 1030-1033
