

Mercy's Medical Center's Online Stork Tour

Our online tour starts with a presentation on car seat safety by CHP Officer Jason Tipler and information about the community resources available to expecting families in Merced County.

The second part of the Stork Tour includes a digital walk through of Mercy's Family Birth Center, where you will be shown each room you will be in during the different stages of your stay in the Family Birth Center, as well as where you need to go to register for your delivery.

STORK TOURS:

6:00 P.M.
